Week 17 Battle

Jeff & Aaron went head-to-head in wk 17 in a battle for 7th place.

We made a bet.

Jeff, a die-hard Bears fan, would have to wear a Cheesehead for the draft if he lost.

Aaron, who bleeds Green & Gold, would wear Bears garb if he lost.

The Year Ahead...

New (ish) Rules

Full list of rules at sx3.fun

IR Spot

1 spot

IR, NON, SUS, PUP, EXE, COV or
OPT

24 hours to move from Reserve
spot once activated

Past 24 hours and Aaron will move
that player for you, dropping your
lowest YTD scorer

COVID Contingencies

Any attempt to game the COVID adjustments system will
result in your forfeiture of points for the position(s) in
question for that week

Games played on or before Wednesday of the current
week will still count for that week

Declarations & Fill-in Players:

The net is... just be clear to Aaron or the Sx3 Signal thread
(preferred) what you'd do with your roster had you
known about the COVID impact at the start of the week.

Your declaration can come in any format (list, rankings,
couple sentences, etc).

“Wait last year you said that photo was from when you and the boys unloaded your haul early, spent the rest of the Wed afternoon at the Bent Elbow, and John Cougar Mellencamp showed up and started jamming and you ended up needing your stomach pumped.”
