Draft Details

Nomination Order has already been randomly set

Nomination Time: 30 seconds (don't take this long... at 15 secs everyone can harass you)

Offer/Bid Time: 10 seconds (resets to 10 secs w/ bids)

If you bid more than the next person, **ALL of what you bid is deducted**

Nominating a player = \$1 bid

System forces you to have at least \$1 for each roster spot ... **NO \$0 players**

No exceptions or changes will be made if you disconnect/autodraft.

TBD if we can 'undo' a pick

EVERYONE be on the lookout for disconnects and shout so we can pause

Good Luck!

May you all fail miserably
