

SX3

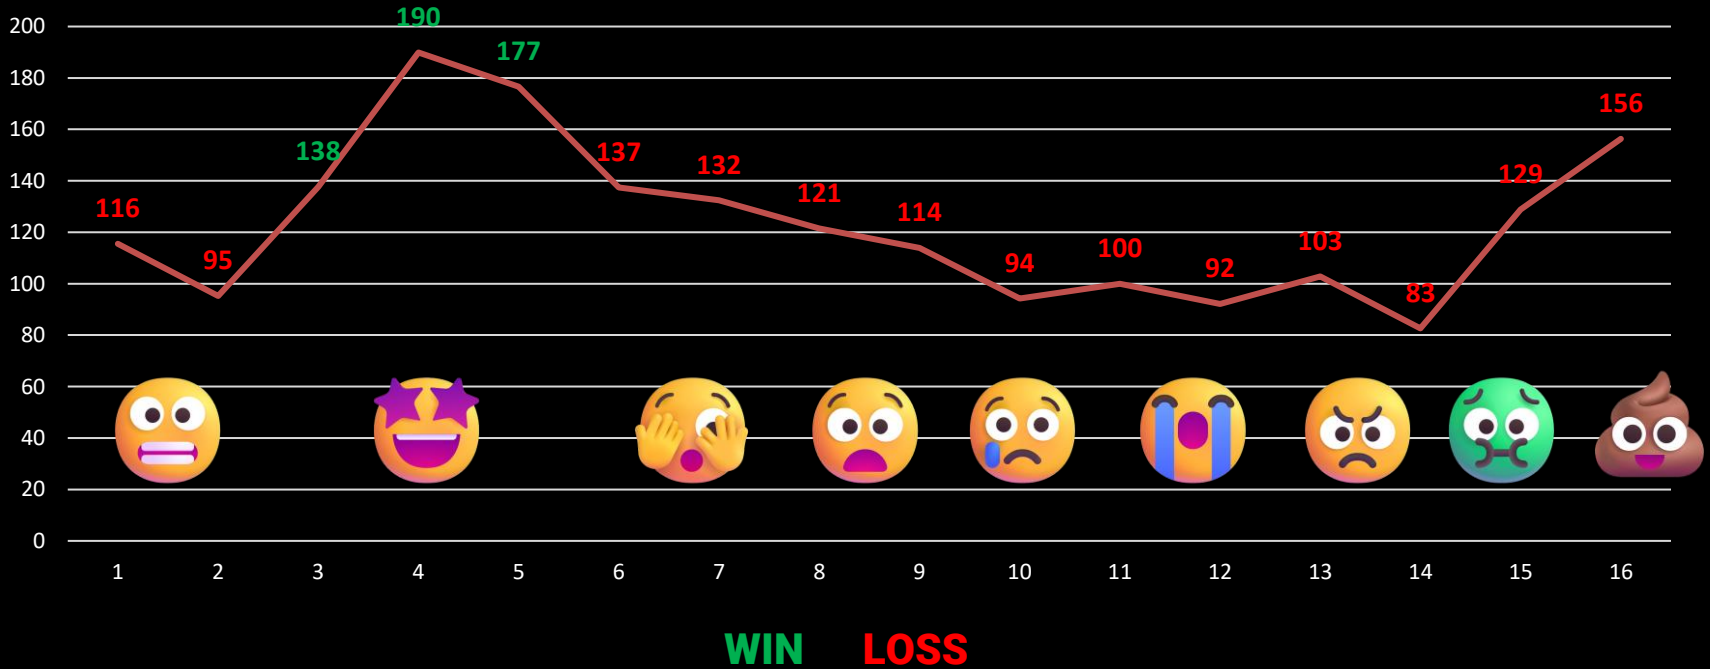

**Welcome
Back
Bozos!**

last year, a team had:

King Henry
Drake London
Brian Thomas Jr

... and they produced these points with those studs

Yes, that's an 11-loss streak.
Yes, that's the longest streak in Sx3 history.

this 'depth' might have contributed to the problem:

3 QBs Darnold, Love, Mahomes

B. Strange

P. Washington

Allen Lazard

Kyle Pitts

it didn't help that this team abandoned its namesake

*rostered neither
Ja'Marr Chase, nor Nic Cage*

NEW RULES

No changes this year.

Voting will happen for next year.

Shout if you have requests to be
on the ballot.

(I won't honor your requests).

Draft Reminders

Nomination order has been randomly set

Nomination Time: 30 seconds (**don't take this long... at 15 secs everyone can harass you**)

Bid Time: 10 seconds (resets to 10 secs w/ bids)

If you bid more than the next person, ALL of what you bid is deducted

Nominating a player = \$1 bid

System forces you to have at least \$1 for each roster spot ... NO \$0 players

H2H matchups for the year set after draft is complete.
Those will default to match last year – Aaron will randomize once.

EVERYONE be on the lookout for disconnects and shout so we can pause

Fuck you guys.
